4. Beyond the campus environmental promotion and sustainability activities

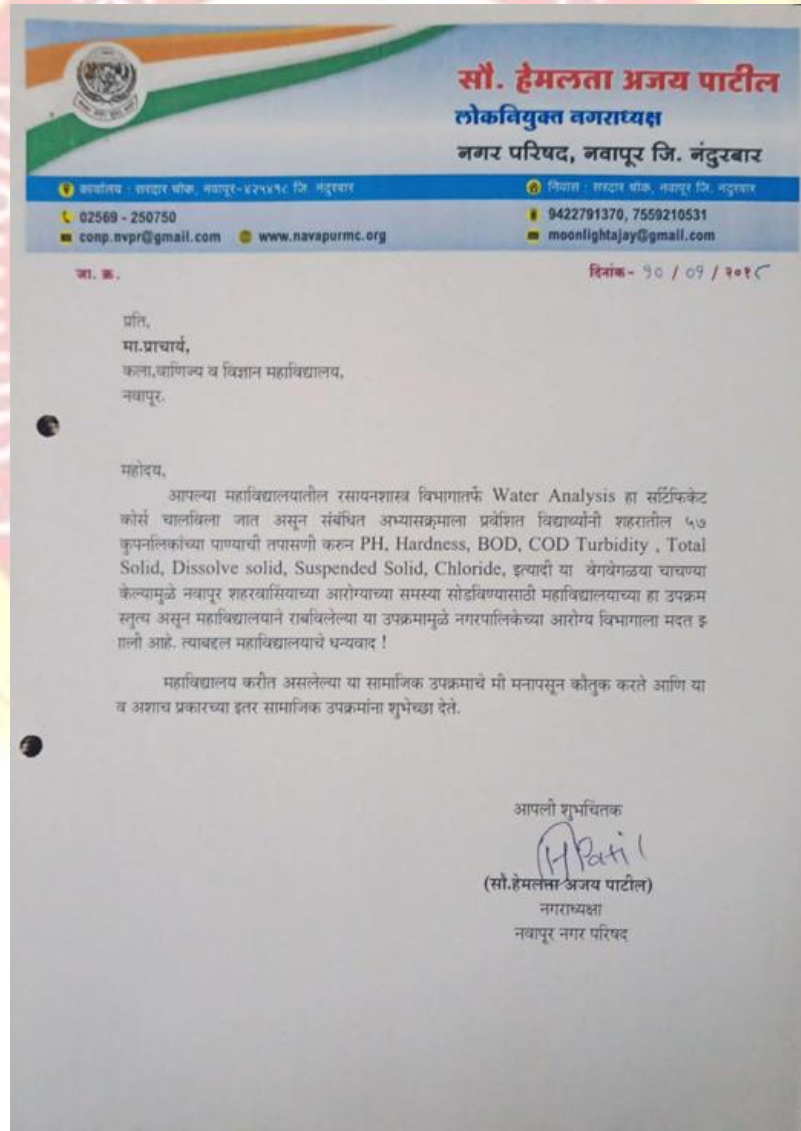

7.1 INSTITUTIONAL VALUES AND SOCIAL RESPONSIBILITIES

7.1.3	Quality audits on environment and energy regularly undertaken by the institution. The institutional environment and energy initiatives are conformed through the following
-------	--

4. Beyond the campus environmental promotion and sustainability activities

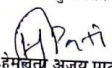

1. Donation of one day salary for national calamities to CM/PM relief fund.

2. **Borewell Water analysis:** As a part of certificate course on water analysis introduced by Department of Chemistry, students have analysed water of 57 bore wells from Navapur for its pH, hardness, COD Turbidity, TDS, Suspended Solids and Chlorides. This activity helped health department to solve health related problems of people from Navapur. College received letter of appreciation from President of Municipal Corporation of Navapur for this activity.

Appreciation letter from Municipal Corporation for Water Analysis

3. **Release of Guppy fishes to control Mosquito:** Department of zoology of Arts, Commerce and Science College Navapur has guppy fish (Gambusia) rearing unit. These guppy fishes are said to be the predator of mosquito larvae. Student from department of zoology helps to release the guppy fishes in the stagnant water which are the breeding places for mosquito. Release of Guppy fish in the probable mosquito breeding sites prevents mosquito borne diseases. Mosquito eradication is one of the most important challenges for municipal corporation. The department of zoology thus contributes towards the eradication of mosquito and thus helps to raise the health aspect of citizens of Navapur this social activity is appreciated by president of municipal corporation Navapur.

प्रति, मा.प्राचार्य, कला,वाणिज्य व विज्ञान महाविद्यालय, नवापूर.	
महोदय, आपल्या महाविद्यालयातील प्राणिशास्त्र विभागातर्फे गप्पो मासे निर्मिती प्रकल्प कार्यान्वित असून प्राणिशास्त्र विभागातील विद्यार्थी शहरातील नागरिकांचे आरोग्य चांगले राहावे म्हणून शहरात संध्याच्ये डायस निर्मिती होणाऱ्या ठिकाणी गप्पोमासे सोडतात. त्यामुळे डायसांच्या उत्पत्तीवर आणि डायसापासून होणारा रोगावर परिणाम होतो.	
मुळातच डायसांचे निर्मूलन हे नगरपालिकेसमोर एक मोठे आव्हानच असते. परंतु आपल्या महाविद्यालयातर्फे डायस निर्मूलन करण्यासाठी केल्या जाणाऱ्या गप्पो मासे निर्मितीच्या प्रयत्न अत्यंत स्तुत्य असून नवापूर नगरवाशियांच्या आरोग्याच्या दृष्टीने अत्यंत उपयुक्त असा उपक्रम आहे.	
महाविद्यालय करीत असलेल्या या सामाजिक उपक्रमाचे मी मनापासून कौतुक करते आणि या व अशाच प्रकारच्या इतर सामाजिक उपक्रमांना शुभेच्छा देते.	
आपली शुभचिंतक  (सौ.हेमलता अजय पाटील) नगराध्यक्ष नवापूर नगर परिषद

To,
The Principal,
Arts, Commerce and Science College Navapur

Respected Sir,

This is to appreciate the successful implementation of Api-Culture Project undertaken by the Department of Zoology of your college. This project is pro-agri and employment oriented. This Api-Culture Project in the Botanical Garden of college has paved the way for the generation of employment to the tribal as well as non-tribal students of this area whose families depend on agriculture and forest for their livelihood. Many students of this area whose families depend on agriculture and forest for their livelihood. Many students trained under this project are setting up the apiculture projects in their farms and villages and engaging themselves in self-employment and providing employment to the village people. As the President of Zilla Parishad I appreciate and put on record your contribution to employment generation for students through the successful implementation of Api-Culture Project. My congratulation and best wishes for your constructive work. Thank you.

Yours faithfully,

(Rajani S. Naik)
